

## **The Dressage Foundation, Inc.**

***Mission: To cultivate and provide financial support for the advancement of dressage.***

The Dressage Foundation was founded in 1989 by Lowell Boomer, who was also the founding organizer of the United States Dressage Federation (USDF) in 1973.

The Dressage Foundation provides grants and scholarships to dressage riders, instructors, judges, and enthusiasts at all levels across the country. The only sources of revenue are charitable contributions and earnings on our Funds and investment reserves.

The Dressage Foundation is a stand-alone Foundation. We are not a part of USDF or any other equestrian organization. We do provide funding to USDF, its GMOs and members, as well as to other dressage/ equestrian organizations and individuals.

Simply stated, the business of The Dressage Foundation is:

***We raise money, manage it, and give it away.***
