**ANNUAL
REPORT**

A MESSAGE FROM TDF'S PRESIDENT

TDF's Annual Report is a always a cheerful read. With an ever-growing number of

donors as well as more dollars donated each year, TDF is able to provide a growing number of grant opportunities, and the amount awarded each year is usually a new record.

Whereas we're proud that the board has authorized approximately \$500,000 in grants per year, dressage communities in this very large country could use much more help.

Toward that end, TDF keeps growing in strategic directions. As you scan pages 8-11, you can see that TDF grants support education that helps riders in the pursuit of harmony. These grants include individual awards, support for

group events and funding for TDF's two programs: the Young Rider Dream Program and the Century Club.

Thank you! TDF would be nothing without its donors, so find yourself on pages 17-23, and know that you are appreciated.

Margaret Mead reminded us: "Never doubt that a small group of thoughtful committed citizens can change the world: indeed, it's the only thing that ever has." Thanks for being a part of our small group of thoughtful committed citizens that's changing the world of dressage!

Cheers,

A handwritten signature in black ink that reads "Beth Baumert". The signature is written in a cursive, flowing style.

YOUNG RIDER DREAM PROGRAM: A RETURN TO AACHEN

For the first time since 2019, TDF's Dream Program sent a select group of young riders to Germany, where they immersed themselves in top international dressage at the CHIO Aachen. The trip gave the young riders a glimpse at the pinnacle of dressage training, with an intensive look into theory and technique, while fostering meaningful connections with the sport's leaders.

The 2025 Dream Program participants were Tessa Holloran (FL), Genevieve Oliver (PA), Quinn Ridgway (NJ), and Paige Zimmerman (PA). The trip was led by chaperones JJ Tate and Richard Malmgren.

Paige Zimmerman said, "This trip was truly life-changing in so many ways, as it was incredible to be surrounded by the world's best riders and horses. I learned so much that I couldn't have learned without this opportunity. I'm more dedicated and inspired than ever to learn to ride the best I can, and shoot for the stars, in hopes that someday I can show at Aachen on the U.S. Team!"
