

THE DRESSAGE FOUNDATION

ANNUAL REPORT 2024

A MESSAGE FROM BETH BAUMERT

TDF's
President & CEO

Be prepared for a cheerful read. The sport of dressage will probably always have financial challenges, but The Dressage Foundation is growing to meet them—thanks to your generosity. “Generosity” is one of my favorite words, and research proves that even in challenging times, generosity is extremely contagious. Yes, generosity can actually be “in fashion!”

I recently learned, from a University of Notre Dame study, that the meaning of the word “generosity” has evolved. In the 16th century, a generous person was one of noble birth. In subsequent centuries, the term evolved to refer to the traits

associated with nobility and those of “higher quality or greater goodness.” Much later, it implied that anyone could elevate himself to that higher moral standard, and the act of giving was the most noble gesture.

Today, “generosity” can refer to people of ordinary circumstances who rise to that level of greater goodness and possess the “virtue of giving good things to others freely and abundantly.”

This annual report of The Dressage Foundation implies that generosity is, indeed, in fashion. Thank you for being a big part of TDF’s noble cause!

Cheers,

Beth Baumert
TDF President & CEO

MANY REASONS TO CELEBRATE

Over Three Decades of Helping the U.S. Dressage Community

When Lowell Boomer founded The Dressage Foundation in 1989, his goal was to establish a well-spring of future financial support for dressage in the U.S.

Thirty-five years later, TDF continues to grow, thanks to countless supporters through the years. And in 2024, we had many reasons to celebrate!

Over \$400,000 was awarded to individuals and organizations from 35 states, which enabled instructors to enhance their teaching skills, supported riders

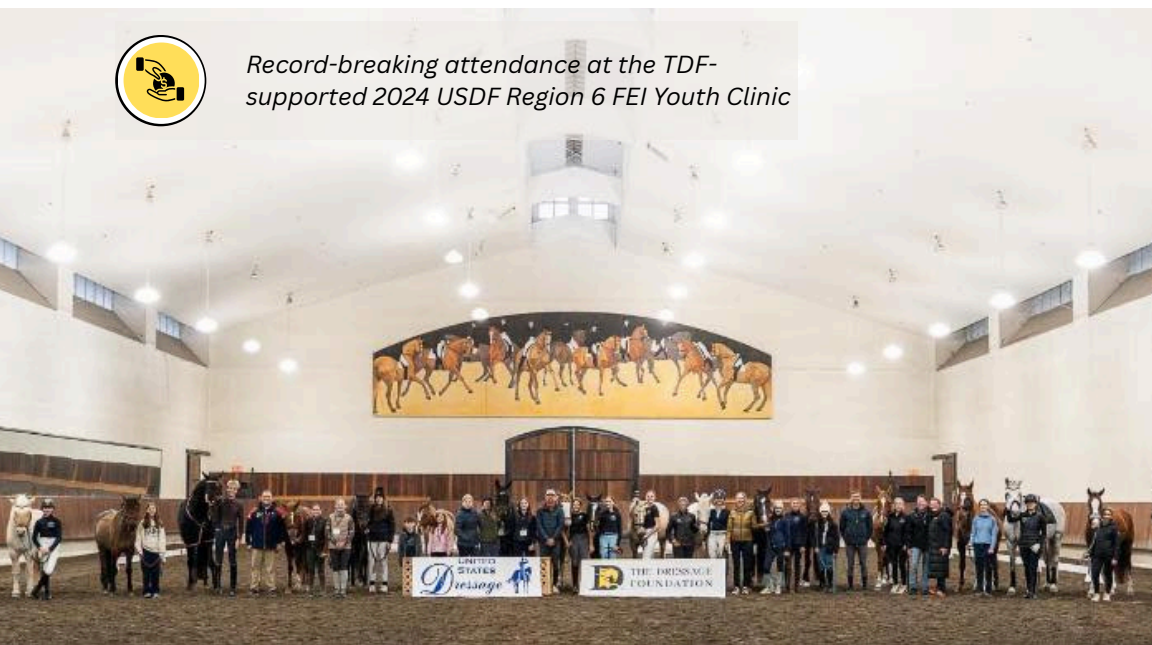

pursuing their competitive goals, provided important funding for organizations to host cost-effective educational events, and so much more.

Our donor family continued to grow, from nearly doubling the number of monthly donors in 2024, to adding several new members to our Legacy Society.

Thanks to the you, the future looks bright for The Dressage Foundation!

THE GROWTH OF GRANTS

Increased Support Through the Years

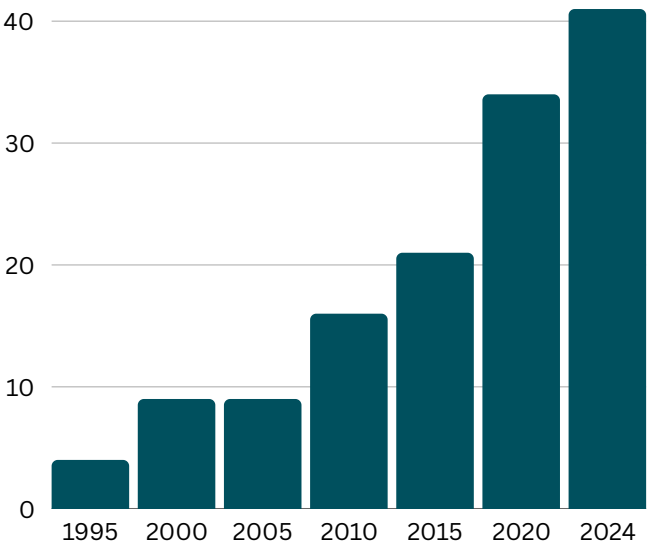

The Dressage Foundation has experienced remarkable growth in its Grant Funds, expanding from just a handful of Funds in its early years, to an impressive 41 in 2024. Together, these Funds award over 100 grants each year.

This growth reflects the deep commitment of donors who are passionate about every aspect of dressage. These Funds are created through their vision and generosity, to give back to the sport they love.

TDF's donor family stretches to all 50 states and grows every year. And as this donor interest continues to increase, TDF is well-positioned for future growth and looks forward to establishing additional Grant Funds that will broaden our impact and serve the ever-growing needs of the dressage community.

YOUNG RIDER DREAM PROGRAM

An Amazing Wellington Experience

In January 2024, five young riders spent a week learning from top riders, judges, and instructors through TDF's Dream Program trip to Wellington, Florida. Kyla Baker (CA), Caroline Colby (NH), Bella Perkins (NY), Katie Staib (PA), and Chloe Roth (SC) went home with a greater appreciation of the highest levels of the sport, and with clearer goals for their futures.

Chloe shared, "When something so deeply affects you, it can be hard to find the words to describe it. It wasn't just the education or watching the amazing horses or experiencing spectacular dressage—the truth is, it was the people.

"It was the donors who made it possible for TDF to create this program; riders and trainers who took their time to share their knowledge, expertise and wisdom; Kelly Burris, our remarkable chaperone, who spoke life and encouragement into us; and finally, the four other young riders who were part of this program and whom I now count among my dear friends. It's the people who made this week so impactful. I am going home with renewed energy and focus, and with my heart so, so full."

The 2024 Dream Program participants learned from top riders, judges, and instructors including Charlotte Bredahl, Kristina Harrison-Antell, and Genay Vaughn.

THE CENTURY CLUB

Another Record Year in 2024

The Century Club had an extraordinary year, welcoming 133 new teams. The Club continues to serve as inspiration to riders across the United States—and across the globe!

Each Century Club ride is a celebration and a reminder that age does not have to be a barrier to pursuing goals in dressage. As new member Judy Yaegle said, “Being inducted into the Century Club was the greatest honor, and it reminds me that it’s never too late to follow your dreams.”
